MESSAGE FROM THE SECRETARY

Education is the only possibility through which society can be changed for better living conditions and congenial and peaceful environment. Welcome to J.D.National B.Ed College where excellence in Teacher Education and student-oriented learning holds priority. J.D.National B.Ed College is committed to nurture and develop the talents and skills of the students in true sense in order to support the social and economic advancement of our country. The College is well equipped with state-of-art infrastructure including spacious lecture halls, seminar room, playground, laboratories and other facilities along with an efficient and committed faculty to prepare young teachers who can spread education and enlighten young minds and serve the society at large.

We welcome you to our college and wish all our young teachers a bright future ahead and a life filled with contentment and joy.

Mrs. J.D.Singh

Secretary

J.D. National B.Ed. College

*"Education is the power to think clearly,
the power to act well and the power to appreciate life"*

Late Pashupati Singh
(22.02.1942 - 26.01.2012)

ABOUT THE FOUNDER SECRETARY

J.D. National B.Ed. College is founded by Late Pashupati Singh, a visionary whose one of the most cherished dream was to open a B.Ed. College with the best facilities and infra structure to train prospective leaders and teachers. He was committed to provide quality education to students who aspire to attain knowledge, skill and qualification in Education. He believed that teaching is about building character and enriching the young minds. The college management salutes his vision and promises to fulfill his dreams with utmost sincerity and honesty.

INTRODUCTION

J.D. National B.Ed. College is recognised by ERC, NCTE, Bhubaneswar and affiliated to the prestigious Ranchi University. The College is founded by Late Pashupati Singh, a visionary whose most cherished dream was to set up this college to impart value education to achieve individual and social progress.

J.D. National B.Ed. College is situated in green neat and clear surroundings of Angara, Ranchi away from traffic, noise and pollution, thereby an ideal place for training and education. The college is co-educational with excellent infrastructure including spacious lecture halls, laboratories, library, seminar room, multipurpose hall, art and craft resource centre and other facilities along with an efficient and committed faculty. J.D. National B.Ed. College is committed to provide equal opportunities in higher education to students and prepare them for making meaningful contribution in an increasingly complex society. This mission is accomplished through quality education offered by the college through its B.Ed. program. Maintaining quality in its offerings is fundamental to our reputation. We are strongly committed towards academics excellence and professional growth and providing environment conducive to teaching and learning along with research and innovation.

VISION & MISSION

Vision :

Development of creative, human and progressive teachers acting as catalysts for social change through a distinctive teacher education program which is embedded with value and professionalism in its approach.

Mission :

- ❖ To prepare teachers excelling in teaching and research methodology.
- ❖ To foster skills and attitude for teacher to discharge their duties and functions in such a way so as to provide significant inputs in school education.
- ❖ To prepare teachers to fully utilize potentialities of information technology and communication methodology.

FACILITIES

Classroom :

A well structured physical infra-structural facility is an essential ingredient to support sound process of teaching and learning. The College has spacious, well ventilated and well-lit classrooms. The classrooms are furnished with green and white boards and appropriate modern furniture.

Library :

A library is a treasure house of knowledge and helps the spread of education. The College has a well stocked library possessing a rich collection of books that cover the B.Ed. syllabus. A wide range of reference books, magazines, national and international journals, educational CDs and daily newspapers have been made available for students as well as the faculty to enrich themselves. New material (books, CDs, Journals etc.) is constantly added to keep up-to-date with changes and developments in the field of education. The library has a spacious and well lit reading room furnished with comfortable and neat furniture and having peaceful and scholarly atmosphere that helps students to concentrate more on their work and study. The library is also provided with photocopying facility for the convenience of students.

Computer and ET Lab :

Computers are synonymous with development. The College has a well equipped state-of-art computer lab having 15 computers of latest configurations. All the computers are loaded with latest software and internet connection. The lab is also equipped with scanner and printer. The college also has overhead projector, a VCD Player, T.V., CD Player, cordless micro phones and other equipments which can be effectively utilized by the students to make their teaching learning process effective.

Science and Mathematics Laboratory :

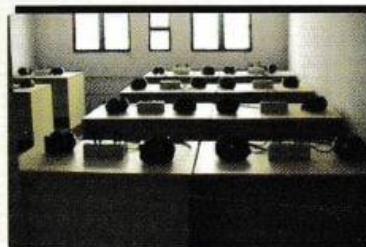

Science is an exciting and constantly changing field, with new discoveries and inventions at every turn. Science cannot be taught effectively without testing, experimentation and demonstrations of scientific facts. Science Lab is a place where students perform various experiments to understand scientific facts in a practical way. Mathematics laboratory is a place where students can learn and explore mathematical concepts and verify mathematical facts and theorems through a variety of activities using different materials. These activities may be carried out by the teacher or the students to explore, to learn, to stimulate interest and develop favorable attitude toward mathematics. The college has a Science lab which is well equipped with all the necessary scientific apparatus and teaching apparatus to understand science in a practical way. The college also has a mathematics lab having models,

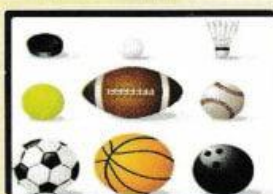

mathematical instruments, charts, graphs, pictures, concrete object etc, to demonstrate, explain and reinforce abstract mathematical ideas.

Language Lab :

Good communication skills are indispensable for the success of any professional. The language laboratory plays an important role in the language learning process. The electronic devices used in the laboratory stimulate the eyes and ears of the learner to acquire the language quickly and easily. The College has a well-equipped language lab having 12 booths with 12 headsets, CD player with CDs, microphones, LCD projector with screen, CPU . The laboratory's collection is designed to assist learners in the acquisition and maintenance of aural comprehension, oral and written proficiency.

Health and Physical Resource Centre :

The College has a fully equipped health and physical resource centre to provide all possible opportunities to students to participate in indoor and outdoor activities. Indoor games like chess, carrom board etc and outdoor games like Volley-ball, Football, Cricket, Badminton etc. can be played by students. The College aims to provide students with adequate resources to excel in sports creating environment which imbues ethics of sportsmanship.

Psychology Lab :

Psychology is both an applied and academic field that studies the human mind and behavior . Psychology seeks to understand and explain how we think, act and feel. The College has a separate Psychology Laboratory which has sufficient psychological apparatus, tests, questionnaires, inventories, CDs and various tools which are related to various aspects of human development and teaching learning process for conducting psychology experiments included in the B.Ed. Syllabus.

Art and Craft Centre :

The College has a well equipped art and craft resource centre because art is soul of life. The College aims to provide artistic and creative environment to perform various fine art activities and provides for all the possible facilities and opportunities.

Other Facilities :

The College provides for other facilities like canteen, fresh water, Internet facilities, photocopying facilities etc.
