- The college is Co-educational & self financed institution with excellent infrastructure including spacious lecture halls, laboratories, multipurpose hall, Art & Craft Resource Centre and other facilities.
- The college is committed to provide quality education to students and prepare them making meaningful contribution to the society.

ABOUT THE SEMINAR

- Due to globalization, the quality of education has improved. Various countries got the opportunity to witness the best education system worldwide.
- In the dynamic landscape of education, policies serve as guiding beacon, illuminating the path towards progress & transformation. The NEP, 2020 stands as a testament to collective vision, aspirations and endeavors of our nation's education.
- As we embark on this journey of exploration into the challenges & opportunities embedded within the fabric of NEP, 2020, we find that the policy heralds a paradigm shift in the educational landscape of the country.
- Today, technology is emerging as a powerful catalyst for change. As we look ahead to the next five years, its clear that technology will play a pivotal role in shaping the Indian education system.
